Chiqui Laura I use IMO frequently just because I need to keep in touch with family and friends from another country. Per Apple policy, no cancellation of the current subscription is allowed during active subscription period. They don't update a lot I mean the app is pretty crappy it's just the video quality that's good. BIG INCONVENIENCE!!!!!! Please fix it, I don't want to have that recording crap come up every time I hold down a specific chat, I want to be able to delete chats as before. It has a lot of issues with privacy that are mentioned in the other reviews, overall I put up with the bad call quality out of need but the most annoying issue for me has been that in the last 30 days or so IMO removed the ability to delete chats. If you watch a friends story and like it, 10 minutes later your like will be gone as you rewatch the same story over and over as if it's New. There aren't many options to do much so we're very limited Not only that, the app glitches a lot when it comes to your views.
